

Homework B

- **Due: Thursday, January 28, before class**
- Please refer to the syllabus for homework policies. (Points of interest include late policies, typesetting, collaboration, extra-credit stuff...)
- If you explicitly do not want your submission to be considered as a solution key, please state so clearly at the top of your submission. If you explicitly want to remain anonymous (if selected), please state so clearly at the top of your submission.
- If you use dynamic programming in your solution, please address the steps outlined in the typed notes.
- There are also some online problems on Gradescope, to be done individually and due at the same time as this word problem. (Note that there is no late policy for these problems.)

Problems

1. Exercise 2 in the typed notes.
